

HANSCRAFT®

SP—116

Every line has a reason.
Every detail has a function.

Design by **STUDIO F·A·PORSCHE**

SP—116

capacity 5 people

220 × 220 × 93 cm

UV LAMP water treatment

3 + 1 BOOST pumps

SILK SKIN technology

EXTRA POWER

In addition to two 2.2 kW hydromassage pumps and a circulation pump, SP—116 features a dedicated 2.2 kW **TURBO BOOST** pump, providing extra power for an even more intense hydromassage experience.

A SILKY TOUCH OF WATER

The **SILK SKIN** function enriches the water with exceptionally fine microbubbles that gently envelop the skin as you relax, leaving it feeling soft and silky smooth.
